Proceedings of the Madras Government. Public Works Department, 6*th March* 1869.

No. 205. Read the following Proceedings of the Government of India in the Public Works Department, (Account—Irrigation,) dated Fort William 17th February 1869, No. 29 A—I:—

Orders on the Budget-Estimate of the Madras Irrigation and Canal Company for 1869-70.

Read :—

Letter No. 3,832, dated 9th December 1868, from Secretary to Government of Madras, Public Works Department.

---

1. The Governor General in Council observes that the Budget-Estimate of the Madras Irrigation and Canal Company for 1869-70 is comprised as follows, as compared with the Budget-Estimate for 1868-69 :—

	Estimate, 1869-70.	Estimate, 1868-69.
State expenditure.	RS.	RS.
Establishment...	29,000	29,000
Purchase of land	36,000	33,000
	65,000	62,000
Expenditure from Construction Funds.		
Amount estimated to be drawn from Government Treasuries in India...	55,000	16,60,000
Amount estimated to be remitted to India by Bills of Exchange obtained from the Secretary of State	21,45,000	
	22,00,000	16,60,000
Revenue Account.		
Gross earnings	99,000	12,000
Working expenses	23,000	5,000
Net Revenue...	76,000	7,000

2. This estimate may be accepted as submitted. But the attention of the Government of Madras should be drawn to the circumstance, that no information has been given as regards the amounts of the Regular Estimate for the current year. Measures should, therefore, be taken to have this information supplied for the future in the same way as is done in the case of the Railway Budget Estimates, and in the form issued with Public Works Department Resolution No. 903 A, dated 4th October 1866.

3. From a foot-note made in the Budget-Estimate, it would appear that no Revenue Account of the Madras Irrigation and Canal Company has been opened as yet. The attention of the Government of Madras should be drawn to the orders issued on this subject in Public Works Department Resolution No. 16 A—I, dated 10th February 1868, as it is of importance that the Revenue Account should be opened as soon as possible.

ORDER.—Ordered, that this Resolution be forwarded to the Government of Madras for information and guidance, and to the Financial Department for information.

Proceedings of the Madras Government, Public Works Department,
19th October 1866.

No. 472. Read the following Proceedings of the Government of India, in the Public Works Department, (Accounts,) dated Simla, the 4th October 1866, No. 903 A :—

Read Public Works Circular No. 82 of 1866, prescribing the submission of annual "regular" or revised estimates in the Public Works Department.

RESOLUTION.—His Excellency the Governor General in Council observes that a regular or revised estimate of expenditure on Railways from guaranteed capital, and of receipts from Railway traffic earnings, will now be necessary from the Railway Department. This estimate may, however, be framed most conveniently by adding another column to the Annual Provincial Railway Budget Estimate, as shown in the accompanying form, and His Excellency in Council directs that the estimates for 1867-68 and succeeding years, which have now to be rendered by the 15th November, may be framed accordingly.

2. The columns for 'Regular estimate' should exhibit the figures which the local authorities may consider, at the time of the preparation of the estimate, properly represent the expected Railway receipts and expenditure of the year then current.

3. The Governor General in Council takes this opportunity to invite the attention of the Local Governments and Administrations concerned to the necessity which exists for the observance of complete punctuality in the submission of the Railway Budget Estimates on the date prescribed, viz., 15th November. This date must be understood as being the *latest* on which it should *reach* the Government of India at Calcutta, and the Governor General in Council requests that such measures may be taken, by each Local Government, as may appear necessary to ensure that the wishes of the Government of India on this head may be carefully observed.

ORDER.—Ordered that the foregoing Resolution be forwarded to the Governments of Madras, Bombay, Bengal, and Punjab, for information and guidance, and to the Government North-Western Provinces and Chief Commissioner, Central Provinces, for information.

(Signed) C. H. DICKENS, Lieut.-Colonel, R. A.,
Secy. to the Government of India.

Receipts in the case of the Company should be taken to mean those [illegible] the net demand & not the probable collections
